

EarthWalk USBC Sidekick Battery Packs

Sidekick powerpacks are powerful enough to charge Chromebooks, tablets and laptops

The Sidekick employs a built-in smart detection IC chip, which ensures universal compatibility with all major smartphones, tablets, MacBook models, Chromebooks, laptops and other USB devices.

No more searching for available USB ports or wall-plug adapters, no more swapping devices, no more second-guessing battery levels and charging times.

Sidekick supports USB-C PD 2.0/3.0 as well as fast charging for USB-A Quick Charge 2.0/3.0—allowing you to recharge multiple devices at once, all in the same place.

Key features & benefits

- Safeguards against overheating, short-circuiting, overvoltage/overcurrent
- The USB-C port leverages bidirectional Power Delivery (PD) over a wide range of voltages (5 to 20 volts) for super-fast charging (65W max) and recharging (45W max)
- LED lights allow users to see battery health and power status
- FCC, BC, UL 2056, UL 60950-1, DOE, CEC, and TPCH rated

Uses best-in-class lithium-ion cells and other premium components combined with refined circuitry design to attain the highest energy efficiency.

Fast Recharging: USB-C port also functions as an input, so recharging the Sidekick is both simple and fast.

USBC SIDEKICK (BATTERY)

Model# USBC-SK20K.1

Specifications:

- Capacity (mAh): 20000mAh / 3.6V (72Wh)
- Connection Types: 2 USB Ports + 1 USB Type-C Port
- Battery Type: Lithium-Polymer (Li-Po)

Input/Output Ports (used to charge your devices from this power bank):

- USB TYPE-C Input/Output (Supports USB PD 3.0): 5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/3.25A (Max USB-C Output is 65W)
- USB Type A (Supports Charging protocols: Apple 2.4A, QC 2.0/3.0, FCP, AFC): 5V/2.4A, 9V/2A, 12V/1.5A (Max USB Output is 18W)
- USB Type A (Supports Charging protocols: Apple 2.4A, QC 2.0/3.0, FCP, AFC): 5V/2.4A, 9V/2A, 12V/1.5A (Max USB Output is 18W)

Features:

- Made with high-density LG lithium polymer batteries—safe and reliable
- Anodized, metal shell with matte texture finish

Dimensions: 6.31" × 3.22" × 0.83"

Weight: 15.52 oz (440 g)

- LED indicator lights—showing you the power status
- Round edge design—comfortable to carry and hold
- Can charge up to three devices simultaneously
- USBC Hub mode function, 3-port (A,A,C)
- Safe to use—equipped with built-in multiple electrical protections
- Bi-directional quick charge 3.0
- SideKick can also be rapidly recharged by connecting it to a 45W-65W USBC-PD charger
- **POWERFUL** enough to charge laptops, Chromebooks and tablets

Warranty

- SideKick powerpack—90 days

Note: Batteries are considered consumable products. Lithium-ion battery packs normally provide up to 75% original power capacity for up to 700+ charging cycles.
